REMSEN PARENT 1-1 NIGHT

Date: Thurs. Jan. 11, 2018

Time: 5:30 - 6:30PM

Location: REMSEN Elementary Computer Lab

Join us for the following:

★Data Informed Instruction
- Mini-presentation summarizing data informed instruction and how it positively impacts all students.

★Technology resources to support student growth
- Hands on computer time for caregivers. Learn about sites that can help you and your child. Also, learn how to access parent portal and more!

★Community Resources
- Student Mental Health- social-emotional growth impacts achievement. Where to go for help.
- Health Homes - a new community resource.

- **Child Care Provided!** Child care will be provided by the REMSEN Child Development Class. Children's shows, homework support and games.
