

MEAL INFORMATION IN THE EVENT OF EMERGENCY CLOSURE

3/13/20

Due to the growing concern of COVID-19, and the likelihood of prolonged school closures, we would like to proactively plan for student meal provisions. Towards that end, we ask that each household complete the information below and return this form to the Main Office by Monday.

Overview:

- If school is forced to close for a prolonged period, Remsen plans to provide meals to all students, **free of charge**.
- Meals include a lunch and a breakfast for the next morning.
- Families can choose to pick up the meal or have it delivered (please check your preference below).
- Pick-up and delivery times will be between 10:30 AM-12:30 PM.
- If picking up, please report to the back door by the High School Cafeteria.
- If your child has an allergy, or special food needs, please indicate it on the form below.
- If the school activates this meal plan, a School Messenger call will be sent out
