

Supply List For: Second Grade

Here are a few items you will need to bring to Second Grade.

I have added a few items in order to help keep belongings sanitized and organized!

*If you are unable to obtain supplies for any reason, please email me and I will be happy to take care of it ksecor@remsencsd.org.

*If you are willing to donate 'extras' for students that may need the supplies, please email me and I will be happy to let you know what is needed. Thank you!

Please label all supplies (including each colored pencil, glue stick, erasers, pencils etc...) with your child's first name. Thanks!

Obviously, not all pencils and glue sticks will be used at once, therefore if you want to set up one **workbox** with a few sharpened pencils, a glue stick, whiteboard marker, scissors and an eraser that would be great. Then, the second **workbox** or we can call it the "**Artbox**" should contain their markers, colored pencils and crayons. I will let you know when your child runs out of glue sticks or pencils.

Please, no pencil sharpeners. I will be sharpening all pencils at the end of each day with gloves on, to ensure items stay touched only by your child.

I really appreciate you going above and beyond this year to help keep school a safe place for all to learn.
